Profile

Aditya Kusumaputri graduated in 2026 from the Information Systems program at Trunodjoyo Madura University. During her studies, she actively participated in various organizations and research programs, including joining HIMASI (Himpunan Mahasiswa Sistem Informasi) for 2 years, being involved in LPPM (Lembaga Penelitian dan Pengabdian kepada Masyarakat), and joining the ZI (Zona Integritas) team of the Faculty of Engineering. Despite being engaged in multiple activities, she maintained her GPA at 3.91/4.00. She received the KIPK (Kartu Indonesia Pintar Kuliah) scholarship from semesters 3 to 8 as a recognition of her academic achievements.

She has a strong interest in learning new things and facing challenges. She is capable of analyzing problems and designing solutions collaboratively. Open to new knowledge, she continually enhances her skills through ongoing learning.
